

Equip 17"-35" Heavy-Duty Dual Monitor Desk Mount

Model: 650177

Manufacturer: EQUIP

EAN: 4015867243930

Product Code: 1535909

R2,305

The 17"-35" Heavy-Duty Dual Monitor Desk Mount is designed to provide exceptional strength, stability, and flexibility for demanding dual-display setups. Supporting two monitors from 17" to 35", including larger and curved screens, this mount is ideal for gaming stations, professional offices, trading desks, and creative work environments that require reliable heavy-load performance.

Constructed from reinforced steel and high-grade aluminum, the heavy-duty structure ensures excellent load capacity and long-term durability. Each articulating arm allows independent adjustment of height, tilt, swivel, and rotation, enabling precise monitor positioning for optimal ergonomics and viewing comfort. Both portrait and landscape orientations are supported, offering flexibility for multitasking, content creation, and data-intensive workflows.
