

Equip 17"-49" Heavy -Duty Articulating Monitor Desk Mount

Model: 650175

Manufacturer: EQUIP

EAN: 4015867243916

Product Code: 1535980

R1,741

The 17"-49" Heavy-Duty Articulating Monitor Desk Mount is engineered to support large and ultra-wide monitors with maximum strength, stability, and flexibility. Designed for monitors from 17" up to 49", including curved and ultra-wide displays, this mount is ideal for professional workstations, gaming setups, and control-room environments that demand reliable heavy-load support.

Built with reinforced steel and high-grade aluminum, the heavy-duty structure ensures exceptional load capacity and long-term durability. The fully articulating arm provides smooth height adjustment, tilt, swivel, and rotation, allowing users to position even large monitors at the optimal viewing angle for comfort and efficiency. Support for both portrait and landscape orientations adds versatility for multitasking and specialized workflows.
