Microconnect USBAFAF cable gender changer USB A Black

Model: 7300017

Manufacturer: WENTRONIC

EAN: 4040849502934

Product Code: 1536542

R718

The Adapter USB A to A F-F (MPN: USBAFAF) is a convenient and reliable solution for connecting two USB-A male cables or devices. This adapter features female USB-A ports on both ends, allowing you to extend the reach of your existing USB connections or change the gender of a USB-A port. Ideal for situations where you need to join USB cables together, this adapter ensures a stable and secure connection for data transfer and power delivery. MicroConnect's 20+ years of experience in connectivity solutions guarantees a high-quality product that meets European design standards, providing a dependable connection for your USB devices at a fair price.

The product information provided is for reference purposes only. Technical specifications, photos, descriptions and prices may change without prior notice. The manufacturer and seller are not responsible for possible data discrepancies or typographical errors. We recommend checking the current information before purchasing.
