Acer Chromebox Mini CXM2 – Intel N150 CPU, 8GB, eMMC 64GB, ChromeOS

Model: DT.Z53EH.001

Manufacturer: ACER

EAN: 4711474817570

Product Code: 1536920

R12,681

Acer Chromebox Mini CXM2 delivers reliable performance, enterprise-grade security, and versatile mounting in an ultra-compact, fanless design—ideal for kiosks, digital signage, and frontline workspaces.

Small, Silent, and Ready to Work

With a 0.65L fan less design, Acer Chromebox Mini CXM2 runs whisper-quiet while saving serious desk space. Place it anywhere—or hide it with a mount—and stay focused with zero noise distractions.

Built to Blaze Through Tasks

Equipped with an up to Intel® Core™ 3 Processor N3501 and ultra-fast LPDDR5x memory, Acer Chromebox Mini CXM2 delivers fluid multitasking and fast ChromeOS performance for work.

Fast Ports, Future-Proof Connections

Stay connected with Wi-Fi 71, five USB 3.2 Gen2 Type A ports, and a powerful USB 3.2 Gen2 Type C port (10Gbps + Display + 65W PD). Further, with the built-in HDMI 2.1 and Gigabit LAN and you've got a full connectivity hub.

Immersive Visuals. Multi-Display Power

Two HDMI 2.1 ports plus USB-C DisplayPort let you connect up to 3 high-res displays at once—with 4K and 60Hz clarity. Perfect for productivity or streaming in stunning detail.

Easy to Use. Tough to Beat

ChromeOS delivers a seamless, fully integrated kiosk and digital signage solution. With ChromeOS and our partners, you have Chromeboxes, remote management, recommended CMS applications, and certified Works with Acer Chromebook peripherals to effectively modernize your business.

Mount-Anywhere Magic with VESA

Use the included VESA mount to attach the CXM2 to the back of your monitor or wall. Save desk space, declutter your setup, and enjoy a clean, cable-free workspace.
