The Super Crystal shimmers in the colors of the worlds of ELDRADOR®. Whoever owns it rules over the whole of ELDRADOR®. Before that happens the tricky puzzle must be solved in order to assemble the World Crystals into the Super Crystal. Then quickly stash it in the BattleCave. It's safe there. Only those who know the combination can open the safe.

The hunt for the Super Crystal has begun! Only the player who has managed to claim all five World Crystals from the various BattleCaves and unite them to form the Super Crystal has reached the goal: Power over all ELDRADOR®! It's a hard task, because the World Crystals are not so easy to put together. Those who make it should be careful to protect their precious treasure. The Super Crystal is in good hands in the BattleCave. Only those who know the combination can open the safe. Who will be the future ruler of ELDRADOR®? The ELDRADOR® CREATURES BattleCaves transform every children's room into an action zone! Who will face the breathtaking battle? All BattleCaves can be combined. Scary tunnels, and tricky traps await the attackers. In the big arena they can then meet for the final duel. What a fight!
