

Equip USB 3.2 Gen2 USB-C Keystone Coupler, Black

Model: 769404

Manufacturer: EQUIP

EAN: 4015867244166

Product Code: 1537579

R782

Integrate ultra-fast USB-C connectivity into your network with the 769404 Black Keystone Coupler. Built for professional AV and IT environments, this coupler supports 20Gbps data transfers and 100W Power Delivery, allowing you to charge laptops and transfer massive files through a single wall port. Its support for 4K/60Hz video makes it a versatile tool for modern conference rooms, providing a sleek, black aesthetic that blends into any high-density patch panel or outlet.
