Your favourite co-worker

Nobody likes a noisy office, which is why we've designed the Ozaa Compact with silent buttons, allowing you to work productively without disturbing anybody. Ready to be everyone's favourite colleague?

Have it all

Everything you want in a mouse, the Ozaa Compact has. Its compact size allows it to fit right into your hand; the two side buttons and optical sensor with up to 3200 DPI offer more convenient working; and it's even made with 60% recycled plastics for more sustainable working!

Bye bye batteries

Don't worry about keeping the house stocked with batteries in case this mouse runs out of juice – with a rechargeable battery, it's always ready to go. Enjoy hours of non-stop usage, or keeping working whilst charging via the included charge cable.
