

D-Link 589W Redundant Power Supply

Model: DPS-700

Manufacturer: D-LINK

EAN: 790069348549

Product Code: 1537803

R31,764

The combination of D-Link's fully managed switch line and DPS Series of Redundant Power Supplies enables today's business networks with unmatched flexibility, performance, scalability, and availability. When paired with a supported D-Link switch, the DPS-700 provides uninterrupted fail-over in the unlikely event of a mechanical power supply failure. Additionally, the DPS-700 supports a 1+1 power budget allowing you to double the PoE budget on supported switches.
