R1,086

Product descriptions

The X-LOCK Clean for Metal Cup Brush, Crimped Wire, Brass-Coated provides an extra-fine surface finish. Fitted with brass-coated crimped wire for light-to-medium-duty cleaning applications, the wire cup brush is suitable for removing coatings, rust and paint stripping on medium-to-large metal and non-ferrous metal surfaces. The brass-coated wires on the brush provide protection against corrosion. It is suitable for use with X-LOCK angle grinders.

The product information provided is for reference purposes only. Technical specifications, photos, descriptions and prices may change without prior notice. The manufacturer and seller are not responsible for possible data discrepancies or typographical errors. We recommend checking the current information before purchasing.
