Samsung EP-T1510 Universal Black AC Indoor

Model: EP-T1510NBEGWW

Manufacturer: SAMSUNG

EAN: 5715328110106

Product Code: 1538956

R1,255

Enjoy the flexibility of the USB PD Type-C Port

Enjoy the flexibility of the latest standard USB PD Type-C Ports. Alternate cable types to charge various mobile devices and, with USB Type-C on both ends, never worry about the cable direction. And there's no need to change the adapter plugged into your wall outlet. Just plug in!

15W Fast Charging to stay ready

Give your devices the powerful charging support they deserve. Enjoy 15W Fast Charging for a wide range of tech essentials with any USB-C enabled device.

Power your device safely

Keep your devices safe from overcurrent, short circuits and high temperature. Charge safely and securely even in unstable electric environments and without worrying about noise and current
