The anti-slip rubber feet on the three legs of the flat TV easel ensure a secure stand without slipping away on all floors

Individual and flexible

Space-saving integration into your home landscape: with the sturdy universal TV stand in wood look, the TV can be placed anywhere in the room in a free-standing and flexible way

Cable clips for strain relief

Cable management for a tidy living environment: cable clips guide the cables from the flat screen TV along the legs of the TV stand, which avoids cable spaghetti and looks tidy. The cable guide also protects the cable against breakage thanks to strain relief

Includes mounting material

Everything included: with the diverse mounting accessories, including screw kit, you can get started right away

FSC

FSC-certified: the paper and cardboard used in our packaging comes from sustainable forest management - enabling us to take a resources-sparing approach to the raw material of wood

Plastic-free

Packaging with a clear conscience: our packaging is 100% plastic-free, enabling us to reduce plastic waste and increase its recyclability
