

LogiLink PA0338WRF power bank 10000 mAh White

Model: PA0338WRF

Manufacturer: LOGILINK

EAN: 4052792074567

Product Code: 1540475

R1,247

Product information "Powerbank 10,000 mAh, 2x USB-A, USB-C, with fast charging function, white" from LogiLink

The mobile power bank (additional battery) from LogiLink is especially suitable for mobile phones and tablets with high power consumption and allows you to charge end devices on the go. Thanks to its compact design and low weight, this additional battery can easily accompany you wherever you go and prevents your end devices from running out of power at the most inopportune moments. The PA0328WRF has a capacity of 10,000 mAh and 2 USB-A ports. This means that two devices can be charged at the same time. The power bank also has an LED display that shows you the current battery status of the power bank.

The product information provided is for reference purposes only. Technical specifications, photos, descriptions and prices may change without prior notice. The manufacturer and seller are not responsible for possible data discrepancies or typographical errors. We recommend checking the current information before purchasing.
