Zalman's unique design

Simple and distinctive front panel appearance.

Easy-to-use hinged glass side panel and tempered glass

A 3mm rimless premium tempered glass side panel provides a panoramic view of your system. The hinged glass panel provides easy access to the interior.

Powder coating with excellent durability

Advanced coating technique uses very fine powder that is evenly distributed over the surface of the product.

Magnetic dust filter

Protects your components and allows unobstructed airflow through dust filtration.

Maximum airflow and ventilation

Pre-installed 120mm x 3 fans (front x 2, rear x 1) and optimized ventilation for fast heat dissipation in the case (supports up to 6 fans).
