Shockproof cover designed for use with the original keyboard.

It is equipped with a hand strap for a firm grip. The built-in 360° rotatable kick stand makes it possible to use the tablet in both horizontal and vertical position. Built-in air cushion protection safeguards the tablet corners if the tablet is dropped. The raised sides on both the front and around the camera hole offers better drop protection for the camera and the front glass.

All buttons are protected, but can easily be operated as well as there is easy access to all ports.

The cover does not include a front glass.

The cover is a two layer cover with a hard PC inner cover and with a TPU protection layer.
