Looks from back then, sound from now

These on-ear headphones bring back the style you love—and add a generous helping of warm, modern sound from their 40 mm drivers! With the eye-catching rounded earcups, you'll look like you're rocking a personal cassette player from back in the day. You get a great choice of colours too.

Long battery life and quick charging

You get up to 26 hours of play time from a full charge, which takes 2 hours via USB-C. If you need a quick boost, charging these on-ear headphones for just 15 minutes will get you an extra 6 hours of play time.

Stable Bluetooth multipoint connection and easy pairing

Bluetooth 5.4 brings you a steadier connection for seamless streaming without annoying dips in the sound. You can connect to two Bluetooth devices at the same time, and you can use the Philips Headphones app to manage your connected devices.

Clear calls. They'll hear what you're saying

Your voice will come through clearly when you're on a call. A dedicated mic picks up the sound of your voice while a noise-reduction algorithm quietens some of the background noise from the world around you.

Handy on-ear button controls

Back in the day, you had to push big, clunky buttons on your cassette player to control the music! Now you get handy button controls on the earcups for playback, volume and calls.

Featherlight headband and spare ear-cup cushions

Come for the iconic looks. Stay for the modern comfort. The Ringo boasts a featherlight headband that easily adjusts for the perfect fit, and you get a two extra sets of soft ear-cup cushions for when you need them.

Philips Headphones app. The Ringo companion

Our handy companion app features an in-app equalizer for your sounds, and you can activate dynamic bass when you want to feel the full power of your favourite basslines! You can also use our app to keep your headphones up to date with the latest firmware, manage connected devices and more.
