Ideal Use Cases

Restaurants & Bars - Take orders and accept payments through SoftPay right at the table to speed turnover and enhance guest satisfaction.

Retail & Boutiques - Print labels, receipts, or inventory updates on the spot.

Events & Ticketing - Validate tickets, scan barcodes, and sync data in real time.

Delivery & Field Sales - Rugged yet portable, the Capture Scorpion excels in outdoor or mobile settings.

Pop-ups, Kiosks & Markets - Lightweight but powerful—your compact payment engine.

In other words, the Capture Mako is more than just a payment device—it's your field sales engine. It combines performance, versatility, and convenience in one robust handheld solution, helping you close more sales on the go, reduce downtime, and deliver a seamless customer experience.

Empower your business with the Capture Mako—and let every transaction count.
