cable

Model: PROUSBCHDMIMM2-CHARGE

Manufacturer: VIVOLINK

EAN: 5715328164567

Product Code: 1543289

R2,283

Connect. Charge. Present.

With the Vivolink USB-C to HDMI Cable with Power Delivery, you can easily connect your USB-C device to any HDMI display—while charging your device at up to 100W. Whether you're presenting in the office, teaching in a classroom, working from home, or streaming in your living room, this cable delivers a seamless, high-performance experience.

Stunning 4K Experience

Enjoy crystal-clear **4K@60Hz** resolution for sharp, vibrant visuals. Perfect for presentations, videos, and multitasking on external screens—without lag or compromise.

Charge While You Work

Stay powered throughout your workflow. The integrated **Power Delivery port** ensures your laptop, tablet, or smartphone charges simultaneously, so your device never runs low during important moments.

Premium Vivolink Build Quality

Designed for professional environments, this cable combines durability with elegant design:
