Shockproof cover designed for kids with a soft outer shell made from non-toxic, flexible EVA foam and a solid inner shell offering an effective protection. The small hands on the back serves as a kickstand. The built-in handle is a must have for kids as it makes it easy to carry the tablet. The raised sides on both the front and around the camera hole offers better drop protection for the camera and the front glass.

All buttons are protected, but can easily be operated as well as there is easy access to all ports.

The cover does not include a front glass.
