R1,121

Protect Your Phone and the Planet

With Greenland, you don't have to choose between safeguarding your phone and caring for the environment. This case offers exceptional protection, functionality, and design — while minimising environmental impact.

Made from 100% Recycled Plastic

The product information provided is for reference purposes only. Technical specifications, photos, descriptions and prices may change without prior notice. The manufacturer and seller are not responsible for possible data discrepancies or typographical errors. We recommend checking the current information before purchasing.

Crafted from GRS-certified recycled materials, each Greenland case prevents the equivalent weight of two plastic bottles from ending up in our oceans and landfills.

Impact Protection You Can Rely On

Engineered to shield your device from drops, Greenland provides 1.2m/4ft impact protection without adding bulk. Raised edges keep your camera and screen safe from harm.

Slim Design

Enjoy a sleek, slim profile that fits comfortably in your hand and pocket.
