StarTech.com 4U 19in Steel Vertical Wall Mount Equipment Rack Bracket - TAA

Model: RK419WALLV

Manufacturer: STARTECH

EAN: 065030834414

Product Code: 1543876

R2,447

Mount server, network or telecommunications devices vertically with this 4U wall-mountable rack

The RK419WALLV 4U Wallmount Rack Bracket offers a versatile storage solution, allowing equipment (Network devices, power strips, patch panels) to be mounted vertically (flush with the wall) to save space. Alternatively, the 4U bracket can be installed under a desk for horizontal installation, making it easy to access installed equipment directly from your workspace. This TAA compliant product adheres to the requirements of the US Federal Trade Agreements Act (TAA), allowing government GSA Schedule purchases.

Perfect for SoHo (small office, home office) environments, the wallmount bracket offers space-saving installation for environments lacking the footprint space for a full size server equipment rack.

The product information provided is for reference purposes only. Technical specifications, photos, descriptions and prices may change without prior notice. The manufacturer and seller are not responsible for possible data discrepancies or typographical errors. We recommend checking the current information before purchasing.

Suitable for mounting on virtually any wall/ceiling surface (e.g. drywall), the bracket mounting holes (used to mount to a wall or the desk underside) are positioned at exactly 16in apart, matching standard construction framework.

Constructed to EIA-310 19in rack standards, the wallmount bracket features a sturdy steel design and is backed by StarTech.com's Lifetime Warranty.

Need more storage space? StarTech.com also offers a 1U 19in Wallmount Bracket, a 2U 19in Wallmount Bracket and a 3U 19in Wallmount Bracket.
