The 15-16" CitySmart™ Essentials Backpack delivers intuitive organization in a tailored design. Featuring separate compartments for your laptop and tablet, and plenty of nooks for your office supplies and devices, this pack deliver the necessary protection for your gear.

The Targus 12"-16" CitySmart™ Backpack delivers device protection and intuitive organization in a polished pack with a clean-lined frame. Designed to fit laptops 12"-16", this bag has padded, adjustable shoulder straps and a padded back that ensure a comfortable fit once it's on your shoulders. A deep front compartment features a workstation for your business cards, pens, small gadgets, and other office supplies, while the font quick-stash pocket provides easy access to your small accessories.
