R2,510

Lexar Professional 800x Pro SDXC 256GD memory card

The Lexar Professional 800x Pro SDXC 256GB memory card is ideal for demanding users of compact cameras, mid-range DSLRs and HD camcorders. With UHS-I technology, it achieves read speeds of up to 150 MB/s and write speeds of up to 45 MB/s, allowing for lightning-fast file transfers and faster editing of footage. Supporting the U3/V30 standard, the card ensures smooth 4K UHD video recording without downtime or quality drops, guaranteeing high image detail in dynamic scenes.

Reliability in all conditions

Lexar 800x Pro is designed for users working in demanding environments. It withstands temperatures from 0°C to 70°C during operation and -25°C to 85°C during storage, and is resistant
