ICY BOX IB-M2U04 SSD enclosure Black 2.5"

Model: IB-M2U04

Manufacturer: ICY BOX

EAN: 4250078171164

Product Code: 1546285

R1,928

The new sprinter in the storage segment

U.2 is finding its way more and more into professional storage solutions. No surprise, U.2 delivers PCIe (NVMe) data transfer rates of up to 64 Gbit/s into the 2.5" format and supports HotSwap, which does not apply to its M.2 counterpart.

M.2 NVMe now available as 2.5" U.2 SSD

The dimensions of the converter correspond to a standard 2.5" SSD with 9.5 mm height and is equally easy to assemble.

Optimized cooling

The manufacturer and seller are not responsible for possible data discrepancies or typographical errors. We recommend checking the current information before purchasing.

Thanks to the cooling fins on the upper side, the surface can be increased which results in improved heat dissipation. The all-over aluminium housing provides a further cooling factor and makes the converter robust.
