R1,387

Does your phone deserve the best? Do you? We believe so! That's why we have put together the ultimate 4-in-1-protection pack! For you and all the other phone lovers out there! Featuring a MagSafe compatible HardCase with a magnetic ring mount, an Ultra-Wide Fit Screen Protector, and a Hoops™ camera lens protector with transparent frame, this pack shields your phone from scratch-creating bumps, phone-cracking falls, and just about anything else life might throw at you. The screen protector also has a smudge-free coating that reduces traces of fingerprints and grease.

The back of this HardCase is 100% recycled plastic and it even comes with a removable magnetic ring mount that makes it easy for you to use your phone with one hand without dropping it. The screen protector is made of 60% recycled glass and provides high-level scratch resistance. And the Hoops™ camera lens protector? Well, it keeps your camera lenses free from scratches that would otherwise leave permanent scars on all future photos.

The 4-in-1 protection pack prolongs the lifetime of your phone so that one day you can pass it on to

someone else who will love it just as much as you do. It's the new circle of phone life and one way of working toward a more sustainable future. Another is to use less packaging: In 2024, we reduced the amount of paper in our PanzerGlass® core product packaging design by an average of 66 %*. And of course, this product comes in recyclable FSC™-certified box.

Installation is easy. Just mount the screen protector using the enclosed EasyAligner made of 100% recycled plastic, apply the camera lens protector, click on the HardCase and attach the magnetic ring. To make it even easier, we've included step-by-step instructions as well as a QR code for quick access to our online how-to video. And remember: Once installed, you'll never again fear your phone falling to the ground. This might not happen, but then again ... it might!

*Reduction from 2022-2024 measured by comparing selected products from the PanzerGlass® core range.
