Safe; in Many Ways

Keep your laptop safe in the large, padded compartment. Keep your accessories, peripherals and personal belongings safe in the extra compartments. Keep the environment safe, because of the recycled material that this laptop bag is made of. The Trust Atlanta is safe in different ways.

Eco-friendly

The Trust Atlanta is made from 17 recycled PET bottles, making this bag very eco-friendly; the origin of the used materials is verified according to the Global Recycled Standard. Reduce your carbon footprint by carrying a bag that is almost completely made of recycled materials.

Comfort

The padded compartments protect your laptop and your belongings from damaging. And thanks to the metal zippers and Velcro fasteners, your trusty laptop stays safe when you move from place to
