Product Code: 1548715

R2,539

Segway-Navimow 4G Access+ module for I1 series robots

The Segway-Navimow 4G Access+ module is an accessory designed for the I1 series mowing robots, providing stable 4G connectivity even where Wi-Fi signal is weak. With the built-in SIM card, users get one year of free 4G network access, with the option of further subscription in the Navimow app. The product also allows the use of an anti-theft function, allowing the robot to be monitored in real time, making it safer to use.

Included

- 4G module
- 2.5mm allen wrench
