The glass hot air fryer allows healthy frying, grilling, deep-frying, roasting, drying, baking, keeping food warm, heating, keeping it warm or defrosting food without oil. With a capacity of 3.5 liters, it offers space for around 800 grams of French fries. The glass frying basket offers a clear view of the cooking process and the easy-to-clean design of the device is an additional plus point! The fryer has temperature settings from 65 °C to 200 °C, a timer that can be set from 1 to 60 minutes, an automatic switch-off function, safety switch-off and non-slip feet. The delivery includes two different cooking inserts and a silicone mat for safely placing the frying basket. A recipe booklet is also included. Frying is much more fun with the glass hot air fryer!
