Full Motion TV Wall Mount with Space-Saving Articulating Arm, Great for Angles and Corners

Enhance your viewing experience with the Manhattan Full Motion TV Wall Mount, designed to support flat or curved TVs from 23" to 55" up to 30 kg (66 lbs). Equipped with an articulating double-link swing arm, this mount allows for maximum flexibility, offering a tilt of +3° to -10° and a swivel range of +/-90°, ensuring you get the perfect viewing angle from any seat in the room.

Space-Saving Design

The mount's flexible extension arm not only saves space when the TV is not in use, but is also ideal for corner installations. It holds your TV anywhere between 60 and 382 mm (2.4 to 15 inches) from the wall, optimizing your room layout and freeing up space.

Versatile Compatibility - also Great as Monitor Wall Mount

This wall mount is compatible with smaller displays and features 100x100 VESA compliance, making it perfect for use as a monitor wall mount. Whether you need a solution for your TV or monitor, this mount provides unmatched versatility.

Durable Construction
