Yealink MeetingBar A25 is an all-in-one video bar tailored for compact focus rooms. Featuring a 151° ultra-wide triple-lens system, it strikes the perfect balance between field of view and image clarity—capturing every participant without distortion, even in tight setups.
With intelligent features like AI-powered IntelliFocus, the camera dynamically frames and follows latest active speakers to keep meetings natural and engaging. AI-enhanced Noise Cancellation ensures clear, uninterrupted audio, while MDEP brings enterprise-grade security for peace of mind. Compact, capable, and AI-enhanced, the A25 is your go-to solution for smarter, more inclusive focus room collaboration.
