The OmniLink® TM-H6000VI Multifunction POS Printer with Check Processing is an ideal choice for demanding, high-volume businesses. This powerful multifunction hybrid POS receipt printer features the fastest print speeds in the industry1, at up to 500 mm/sec2. It is engineered for reliability, with long-life printhead and auto cutter3 as well as a water-resistant enclosure that’s easy to clean. The printer also has an MICR accuracy of 99.9 percent, enabling incredibly quick and efficient check processing. What’s more, advanced paper-saving options help lower costs by reducing paper usage by up to 49 percent4. The robust TM-H6000VI offers dynamic multiplatform support for traditional POS terminals and mobile devices, enabling system flexibility based on your needs. Remote status monitoring5 and management of this high performer from virtually anywhere helps keep your workflow moving and cut down on downtime. The TM-H6000VI is backed by a 2-year limited warranty, giving you Epson’s world-class service and support for your peace of mind.
