Unmask the Night with Color Night Vision & Spotlight

Full-Color Night Vision paired with a powerful spotlight unveils your front doorstep in vivid detail, even in pitch-black conditions.

6400mAh Built-in Battery**

The 6400mAh rechargeable battery provides hours of power while freeing you from cords and outlets.
**The time of use includes recording and watching live views. Actual battery life may vary due to device settings, usage, router specifications, and environmental factors.

Local and Cloud Storage

Store footage locally on a microSD card (up to 512GB, sold separately) or access recordings remotely with Tapo Care cloud storage (subscription required).

Quick Responses

With Quick Responses, quickly select a preset response to communicate with visitors from anywhere.

Two-Way Audio

Our high-definition two-way audio lets you speak directly with guests or delivery couriers for immediate action.
