The NBE-7702-ALX is an extremely robust bullet camera for mission-critical applications. The ruggedized and stable design has exceptional corrosion resistance for use in any outdoor application. Using 1/1.8" sensors with HD 1080p resolution, the NBE-7702-ALX provides the perfect balance between high resolution and extreme low light sensitivity. Starlight X and HDR X technology combined with powerful intelligent IR illumination ensure highly detailed images even in the most challenging situations. The cameras have a powerful, embedded processor with dedicated hardware
