Model: 23126C

Manufacturer: INLINE

EAN: 4043718208500

Product Code: 1551856

R1,602

The InLine® loudspeaker stands offer a stable and customizable solution for the perfect positioning of loudspeakers in conference rooms, sales areas or home cinemas. Thanks to the universal height adjustment, the stands can be flexibly adapted to the room acoustics to ensure optimum sound distribution.

The robust construction with a 19x19 cm base ensures a secure stand, while the maximum load capacity of 4.5 kg enables broad compatibility with compact speaker cabinets.
