InLine Installation cab. Cat.7a PiMF 4x2x0.58 AWG23, 1200MHz, LSZH, 300m

Model: 70300I

Manufacturer: INLINE

EAN: 4043718208029

Product Code: 1551859

R6,401

The installation cable is delivered in a drum box for easy refer to the required length. The packaging consists of a plastic roller on wich the data cable is rolled up. This roller is fixed in a carton, whereby a simple and unwinding is guaranteed. The following are the advantages of drum box:
Cost reduction through easy handling on site without additional drum tooling
easy to carry, handy and stackable packaging to pack in construction vehicle
Lightweight (also sendable by parcel service)
Prevention of pollution and damage to the cable by means of cardboard packaging
reduce the average cost for small quantities

Specifications:

Cable for installation

Cat. 7a installation cable to 1200MHz

Construction: 4x2xAWG23/1 S-FTP PiMf

Suitable up to 10Gb

Full copper conductors

Impedance: 100 Ohm, DC resistance: max. 87 Ohm / km

Halogen-free jacket LSZH

Orange sheath

Structure: pairs in metal foil

Overall braid shielding

Cable diameter about 8.2mm

Installation temperature: 0 - 50°C, operating temperature: -20°C - 60°C

With meter-printing on cable

Reaction to fire Eca according to EN 50575:2014 / A1:2016

Note: The drum box is only available for the bundles 50m, 100m, 300m, whereas 500m is supplied on a cable drum.
