
InLine 19" shelf, 150mm, 10kg, 1U, RAL 9005 black

Model: 19114A

Manufacturer: INLINE

EAN: 4043718319299

Product Code: 1551883

R930

Discover our premium 19-inch shelf, an ideal solution for efficiently organising your server and network equipment. With a depth of 150 mm and a load capacity of 10 kg, this shelf provides a robust platform for your equipment, while its compact 1U height minimises space requirements.

Made from high-quality, powder-coated SPCC (Steel Plate Cold Rolled Commercial) steel, the shelf features a hard-wearing surface that protects against corrosion and ensures long-lasting aesthetics. The powder coating not only gives it a modern look, but also provides additional resistance to external influences.

The simple assembly enables quick integration into your rack system. Rely on the reliability and quality of this 19-inch shelf to keep your server environment organised and stable. Optimise your space effectively with this heavy-duty, powder-coated shelf for a professional IT infrastructure.
