InLine USB 2.0 Cable down angled Type A male / B male, black, 3m

Model: 34535U

Manufacturer: INLINE

EAN: 4043718167425

Product Code: 1551988

R778

Space-saving 90-degree angled plug: The downward-angled USB-B plug facilitates installation in confined spaces and reduces mechanical stress on the connection.

Reliable data transfer with USB 2.0: Supports transfer rates of up to 480 Mb/s and enables a stable connection between computers and peripheral devices.

High device compatibility: Compatible with USB 2.0 and backwards compatible with USB 1.1 and USB 1.0 interfaces.

Classic USB-A to USB-B connection:USB-A plug to USB-B plug for typical applications such as printers, scanners or other devices with a USB-B connection.

Optimised cable routing for installation close to walls: The downward-facing design of the USB-B plug supports tension-free installation and contributes to a clean and structured installation.

The InLine® USB 2.0 cable with USB-A to USB-B is suitable for reliably connecting computers to

peripheral devices such as printers or scanners.
Support for data transfer rates of up to 480 Mb/s enables stable and standard-compliant USB 2.0 communication.
The USB-B connector is angled downwards by 90 degrees. This design facilitates installation for devices that are close to walls or integrated into furniture. At the same time, the mechanical stress on the connection is reduced.
The cable is compatible with USB 2.0 and backward compatible with USB 1.1 and USB 1.0. This makes it suitable for both current and older systems.

Connector 1: USB-A plug
Connector 2: USB-B plug, angled downwards by 90 degrees
USB standard: USB 2.0
Max. data transfer rate: 480 Mb/s
Backward compatibility: USB 1.1, USB 1.0
Colour: black
Packaging: resealable PE blister pack with EAN code label
Available lengths: 0.3 m, 0.5 m, 1 m, 2 m, 3 m
