R1,065

Stable hold for smartphones and tablets: Robust aluminium construction ensures a secure stand on desks, reception counters or in conference rooms.

Universally usable for many devices: Compatible with smartphones and small tablets up to 10 inches – even with protective covers.

Space-saving design: The foldable stand makes it easy to transport and store – ideal for travelling or changing locations.

Cable management included: Integrated opening for charging or data cables keeps your workspace tidy.

Safe and gentle: Non-slip silicone pads protect your device from scratches and hold it securely in place.

Keep your desk tidy and stable with the InLine Smartphone & Tablet Holder. The modern, minimalist

design made of sturdy aluminium fits perfectly into both professional and private environments. The holder is suitable for devices up to 10 inches – whether smartphones or small tablets – and impresses with its clever details.

Thanks to the non-slip silicone pads, your devices are secure and scratch-free. Ideal for video calls, online meetings, recipes in the kitchen or presentations in the office. The integrated cable guide keeps your charging or data cable neatly in place.

The holder can be completely folded away – perfect for travelling or flexible workplaces. Whether at reception, in your home office or in a meeting: the InLine holder helps you use your mobile device comfortably and stably. Practical, space-saving and high-quality – a must-have for anyone who works with mobile devices on a regular basis.

Colour: Aluminium/silver
