

InLine 23101B TV mount/stand 177.8 cm (70") Black

Model: 23101B

Manufacturer: INLINE

EAN: 4043718345755

Product Code: 1552362

R1,127

High load capacity for large displays:The wall mount supports televisions and monitors weighing up to 70 kg and provides a reliable attachment.

Flexible tilt:With $+3^{\circ}$ to -12° , screens can be optimally adjusted to the desired viewing position.

Extra sturdy construction:Made of solid steel and powder-coated for durability and a secure hold.

Greater security:The anti-theft eyelet protects against unauthorised removal in public areas.

Easy installation:Open wall system for cable routing, clip-on spirit level (included) and directional arrows support quick installation.

The tiltable TV wall mount in an extra sturdy design allows secure mounting of televisions and displays with a screen diagonal of 32 to 70 inches. Thanks to a load capacity of up to 70 kg, the mount is also suitable for particularly large or heavy devices, including curved displays.

The robust steel construction with a powder-coated surface in matt black ensures stability and durability. An integrated anti-theft eyelet increases security, especially in public areas.

The tilt adjustment from $+3^{\circ}$ to -12° allows flexible adjustment of the viewing angle. Tool-free

operation and automatic spring locking with quick release simplify practical use.

Installation is efficient: the open wall system allows for easy cable routing and ensures good ventilation. Directional arrows facilitate orientation, while the included clip-on spirit level ensures precise alignment. The mount thus offers a reliable and versatile solution for living spaces, conference areas and public installations.
