InLine Notebook Security Lock with key 4.4mm x 2m

Model: 55703

Manufacturer: INLINE

EAN: 4043718124633

Product Code: 1552670

R1,003

High-quality security cable lock with key. The lock is extremely robust thanks to a strong steel cable with a diameter of 4.4 mm. An elegant nickel-plated surface gives the lock an excellent appearance and emphasises its quality. The lock is ideal for securing notebooks at trade fairs, in sales rooms, at checkouts, etc.

The product information provided is for reference purposes only. Technical specifications, photos, descriptions and prices may change without prior notice. The manufacturer and seller are not responsible for possible data discrepancies or typographical errors. We recommend checking the current information before purchasing.
