InLine USB 2.0 Cable Type A male / B male black 7m

Model: 34557X

Manufacturer: INLINE

EAN: 4043718263431

Product Code: 1552808

R841

High transfer speed: Data rates of up to 480 Mb/s for fast and stable connections between devices.
Universal compatibility: Works reliably with all USB 2.0, 1.1, and 1.0 compatible devices.
Robust workmanship: Resistant connectors and flexible cable sheathing for a long service life even with intensive use.
Customizable installation options: Seven available cable lengths offer optimal solutions for different application scenarios.
Reliable connection for peripheral devices: Ideal solution for connecting printers, scanners, and other USB peripheral devices to a PC or notebook.

The InLine® USB 2.0 cables, A to B, black, enable reliable data transfer at speeds of up to 480 Mb/s. By supporting USB standards 2.0, 1.1, and 1.0, the cables ensure high compatibility with a wide range of peripheral devices. The robust design with sturdy connectors and flexible cable sheathing ensures a long service life, even with regular use in demanding environments. With seven different lengths from 0.3 m to 7 m, the cables offer maximum flexibility for a wide range of installation
