

InLine USB 2.0 Active Signal Repeater Cable Type A male / A female, 5m

Model: 34605I

Manufacturer: INLINE

EAN: 4043718252947

Product Code: 1552891

R1,096

The active USB 2.0 extension amplifies the signal active like a hub. This provides an extension of the USB-cable according to the USB-specification. No external power supply required. The maximum extension depends on the power supply of the USB-device. No drivers are needed in Windows.

The product information provided is for reference purposes only. Technical specifications, photos, descriptions and prices may change without prior notice. The manufacturer and seller are not responsible for possible data discrepancies or typographical errors. We recommend checking the current information before purchasing.
