Refined design and cutting-edge functionality to transform your kitchen into an oasis of beauty, the Mediterranean charm of this line is inspired by the unique and vibrant style of the beautiful island of Capri. The electric toaster of the Capri line by Ariete toasts 4 slices of bread at the same time, without clamps, with 2 separate compartments and the possibility to choose the browning level and toasting of the bread that you prefer, thanks to the 6 levels that can be selected using the knob.

The product information provided is for reference purposes only. Technical specifications, photos, descriptions and prices may change without prior notice. The manufacturer and seller are not responsible for possible data discrepancies or typographical errors. We recommend checking the current information before purchasing.

Slices are automatically ejected once toasted, avoiding unpleasant burns, and the cold walls guarantee maximum safety during use. By toasting 2 slices of bread at the same time, you can quickly prepare toasted bread for your American breakfasts or brunches with friends, but that's not all: with Ariete's Capri Toaster you can also activate the defrost function to defrost in a few moments and toast sandwiches and stuffed sandwiches, for tasty snacks or quick lunch breaks.
