In cross cut, the HP Pro Shredder 18CC reliably destroys your sensitive company data with a cutting capacity of 18 A4 sheets. Awarded the high security level P-4, the high-quality document shredder shreds your personal documents such as payslips or employment contracts into 4 mm x 35 mm clippings in compliance with the DSGVO. This elegant companion should be a quintessential feature in any open-plan office and is conveniently mobile use thanks to its four castors. Compared to its little brother from the HP OneShred Series, the HP Pro Shredder 18CC impresses with a exceptionally quiet operating noise of only 55 decibels and a longer operating time of 30 minutes.
