Certified for Microsoft Teams

The UC W31 is certified for Microsoft Teams, offering a familiar yet extremely powerful video calling experience, resulting in more effective meetings and increased productivity.

Easy to install and manage

Easy to install, thanks to plug-and-play simplicity via a USB interface, the UC W31 can be mounted on a TV or wall for the whole room coverage.

Easy to manage with scalable deployment

Device management flexibility means onsite IT administrators can manage the device through a USB cable via MAXHUB ALIGN (software); However, remote teams can also access the device via the cloud-based MAXHUB Pivot.

A reliable and certified choice

The MAXHUB UC W31 has undergone a series of stringent Microsoft compatibility and certification processes. It comes with a 3-year advanced replacement warranty and local support, ensuring a seamless user experience and uninterrupted workflow for Microsoft Teams Rooms while accommodating cost-balancing needs.
