A basic, ergonomic monitor stand for a better posture.

The Q-Riser 90 monitor stand is the ideal ergonomic accessory for your fixed workplace at the office or at home. With the monitor stand Q-Riser 90 you can bring your monitor to the right viewing height, and you will automatically adapt a healthier working posture. This monitor stand has great features, like more than enough space (380 x 200 mm) to place your monitor, integrated cable management, and it's made of high-quality (sustainable) acrylic material. Start working with more comfort and improve your productivity with the help of the Q-Riser 90 monitor stand.
