Cellularline Impact Film - Galaxy Z Fold8 Ultra

Model: SPFILMGALZFOLD8

Manufacturer: CELLULARLINE

EAN: 8018080522512

Product Code: 1554317

R1,022

Impact Film is the screen protector designed to safeguard the Samsung Galaxy Z Fold8 Ultra display while preserving visual quality and touch sensitivity. Made of ultra-flexible TPU, it absorbs everyday impacts and adheres perfectly to the screen surface, making it ideal for foldable displays. The ultra-transparent finish preserves colours, brightness and screen definition, while the anti-fingerprint treatment helps keep the display clean. Compatible with fingerprint sensors and cases, it provides discreet and effective protection.

The product information provided is for reference purposes only. Technical specifications, photos, descriptions and prices may change without prior notice. The manufacturer and seller are not responsible for possible data discrepancies or typographical errors. We recommend checking the current information before purchasing.
