Tired of broken screen protectors? eco-shield is an unbreakable screen protector made from recycled materials (rPET) & 100% recyclable without compromising on protection and quality! This easy application screen protector reacts like your phone's own screen and fits perfectly on your device. Incredibly slim at just 0.4mm, you'll hardly notice the ultra-tough layer of protection. Combine it with a recycled phone case for sustainable 360-degree protection.
