Aura Mag is the perfect case for anyone who wants to protect their iPhone 17 Pro / 18 Pro without compromising on style. Its clean lines and refined finishes enhance the look of your smartphone, while the colors are designed to perfectly match your device. Thanks to MagSafe compatibility, you can charge your iPhone and use magnetic accessories quickly and easily without removing the case. Every detail is designed to provide a comfortable user experience. The metal buttons ensure precise feedback and an elegant finish, while the raised camera bezel helps protect the camera from everyday contact with surfaces. Aura Mag combines reliable protection with a contemporary look, making it the ideal case for those seeking practicality, elegance and MagSafe compatibility.
