R1,344

Oslo is an impact protective folio wallet case made from synthetic leather that looks and feels just like real leather. Unlike many other synthetic leather products, this case is made with recycled plastic materials and is 100% recyclable. With its foldable back, you can enjoy hands-free horizontal video watching.

The product information provided is for reference purposes only. Technical specifications, photos, descriptions and prices may change without prior notice. The manufacturer and seller are not responsible for possible data discrepancies or typographical errors. We recommend checking the current information before purchasing.
