

Bosch Quigo Plus Line level 635 nm (< 1 mW)

Model: 0603663602

Manufacturer: BOSCH

EAN: 4059952647937

Product Code: 1555245

R2,436

The handy guide for marking equal distances on walls

Style and substance – the Quigo Plus is the ideal helper when creating designs or patterns on walls. Align complex patterns at equal and variable distances thanks to the markings on the laser lines. Projecting both horizontal and vertical laser lines simultaneously, the tool makes lining up items or patterns simple and precise thanks to its automatically straight lines. Hang decorative items, pictures, and shelves, place wallpaper or tiles, and align a variety of objects with speed, accuracy (+/-0.8 mm/m), and easy handling due to one-slider. It has a self-levelling range of +/-4° and projects a perfect laser cross, for precise and easy alignment on the wall. It includes a tripod for precise height adjustments and versatile positioning.

Difficulty level

Easy
